Interpreting a pie chart

QUESTION

The pie chart below shows how the annual budget for the Heavy Equipment Company is divided by department. Use this chart to answer the questions below.

Which one is about this size?
Support

It's a little more than a right angle (90°) so 100°

- (a) Which department accounts for approximately one-eighth of the annual budget?
- (b) Approximately what percentage of the annual budget is used for Marketing and Sales combined? Write your answer as a multiple of 10% - that is, 10%, 20%, 30%,....
- (c) If 8% of the annual budget is used for Media, approximately what percentage is used for Sales?

How many times do you think Media would fit inside of Sales?
3 $3 \times 8 = 24\%$
